**DETAILED ACTION**

***Continued Examination Under 37 CFR 1.114***

1. Receipt is acknowledged of a request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e) and a submission, filed on July 18, 2003. The submission, however, is not fully responsive to the prior Office action because the filed amendment effectively changes the scope of the examined invention to date. Accordingly, no divisional i.e., switching of inventions is permitted under RCE practice. The claimed invention was previously directed [and examined] towards a "top box"; however, the submission's "claimed invention" now on record is directed towards a "gaming machine" [hence the switching of the claimed invention]. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period for reply supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to James O. Hansen whose telephone number is 703-305-7414. The examiner can normally be reached on Mon.-Fri. 8-4pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Lanna Mai can be reached on 703-308-2486. The fax phone
